

OHIO BOER GOAT ASSOCIATION

(Formerly known as the Ohio Meat Goat Association)

Sponsorship Opportunities

The Ohio Boer Goat Association (FKA: Ohio Meat Goat Association) is in its 11th year and continually strives to support and educate the youth. This is why the Ohio Boer Goat Association offers juniors wether and breeding shows. These shows are open to all youth, 18 years of age and under, a chance to participate in showing their goats more than once during the year. It also gives them an opportunity to earn prizes and money. Their dedication, enthusiasm and commitment towards the Boer goat industry is truly amazing.

The Ohio Boer Goat Association (OHBGA) is in the process of organizing Boer goat shows and youth events. These shows and/or events will be held at different locations throughout the state of Ohio. Each open show will include a wether show for juniors and a breeding show - Junior American Boer Goat Association (JABGA) sanctioned.

The OHBGA also awards scholarships to graduating high school seniors wanting to continue on in higher education that have participated in the junior breeding shows and are junior OHBGA members. This was established because of sponsorships and donations from people, farms and businesses that want to see these youth succeed in their goals.

This is where you can come in. The OHBGA can only do scholarships and awards with help from OHBGA members, farms, businesses and corporations like you. This is a great opportunity to become involved in the fastest growing segment of animal agriculture and help these dedicated youth receive the recognition they deserve.

As a sponsor your name will be listed on the OHBGA's website, and read the day of the show, and depending on the sponsor level you chose, your name will be put on a banner to be displayed at each show and other OHBGA events. But the greatest benefit to you as a supporter will be helping the youth of the Midwest in their education in the Agriculture Industry, and towards their goals of success in life. Please consider picking one of the sponsorship categories and supporting the youth.
